Investing in the Community Improvement Corporation of Defiance County

The Defiance County Community Improvement Corporation is a non-profit corporation established to promote economic growth in Defiance County through various marketing and incentive programs. The CIC is a partnership of public and private entities who work together to advance the prosperity of all persons in Defiance County. Members are invited to attend the Annual CIC Membership Meeting and an Investor Reception.

Your investment in the Community Improvement Corporation ensures that the following programs are supported:

- ★ Attraction of new business investment
- ★ Retention of existing companies and jobs
- ★ Facilitate between business and government officials
- ★ Formulation of community strategic plans
